- 1] **Chaubis Ghante Me Bees Farishte  
Insaan ki Hifajat Karte He.**

Allah ka irshad he tarjuma - har shakhs ki  
hifajat ke liye kuchh farishte mukar-rar  
he jinki badli hoti rehti he kuchh uske  
aaghe kuchh uske pichhe ki vo Allah ke

hukam se uski hifajat karte he.  
ek farishta tere sar ke baal thume huve he,  
jab tu Allah ke liye tavaju karta he to vo  
tujhe buland karta he aur jab tu sarkashi  
aur takabbur karta he to vo tujhe aziz  
karta he aur do farishte tere hoto par he jo  
durud tu mujhe par padhta he uski vo  
hifajat karte he, ek farishta tere muh par  
khada he ki koyi saanp vagaira jaisi chij  
tere halak me na chali jaaye, aur do  
farishte teri aankho par he ye 10 farishte  
har adaam ke bete (insaan) ke saath he fir  
din ke alag he, aur raat ke alag he, is tarah  
har shakhs ke saath 20 farishte Allah ki  
taraf se muvakkul he (rakhvale). (Tafsir Ibne Kasir)

## **2] Jab Insaan Sota He To Farishta 1-1 Neki Ke Badle 10-10 Gunaah Mita Deta He**

Nabie Karim ﷺ ne irshad farmaya jab  
insaan sota he to farishta shaitan se kehta  
he mujhe apna sahifa jisme iske gunaah

likhe huve he de, vo de deta he, to 1-1 neki ke badle 10-10 gunaah vo iske sahife se mita deta he, aur inhe nekiyo me badaal deta he, to tum-me se jo bhi sone ka irada kare to 33 martaba sub-ha-nallah, 33 martaba alhum-du-lillah, 34 martaba Allah-hu-akbar kahe, ye milkar 100 ho gaye (tafseer ibne kasir).

### **3] Shaitan Ki Nakami**

Imam Ahmad Bin Hambal (rh) Ke sahabzade Abdullah aur Saleh kehte he ki jab hamare valid ka aakhiri vakt aaya to bahut kasrat se yu kehne lage ki abhi nahi abhi nahi, hamne kaha ki abba jaan aise vakt me aap kya alfaj bol rahe he, farmaya mere bachche is vakt Iblis ghar ke kone me daato me ungli dabaye khada huva keh raha he, ae Ahmad tum mujhse bach kar jaa rahe ho, me us se keh raha hu ki ae maloon abhi nahi-abhi nahi, yani jab tak mere jisam se rooh kalima par parvaj nahi

kar jaati kuchh kaha nahi jaa sakta, jaisa ki baaa hadiso me aaya he ki Iblis ne kaha ae parvardigar teri izzat aur tere jalal ki kasam jab tak aap ke bando ki ruhe unke jismo me baaki he, me unko barabar gumrah karta rahunga, is par Allah ne irshad farmaya meri izzat aur mere jalal ki kasam jab tak mere bande mujhse magfirat talab karte rahenge me bhi barabar unko bakhshtha rahunga.

#### **4] Shaitan Insaan Ki Naak Me Raat Gujarta He**

Ek hadees me iski taakid aayi he jab subah jag kar vuju karo to teen martaba naak me paani dal kar jaroor jhad liya karo, iski vajah ye he ki shaitan insaan ki naak ke ban-se me raat gujarta he, usme peshab aur naa-paaki karta he, aur jab sone ke baad insaan uthta he to naak ke andar mel kuchel bhara huva milta he, usme shaitan ki naa-paaki ke asrat hote he, jab vuju me

naak achchi tarah jhadli jayengi to  
shaitan ke asrat saaf ho jaate he  
Hazrat Abu Hurera (rd) se rivayat he  
Nabie Karim ﷺ ne irshad farmaya tum  
me se koyi nind se jag-kar vuju kare to  
jarur teen martaba naak jhad-le, isliye ki  
shaitan iski ki naak ke baan-se me raat  
gujarta he. (Bukhari)
